Mountain Oak School is a pre-k through eighth grade public charter school that emphasizes intellectual development through the imaginative, artistic, and moral growth of its students using Waldorf-inspired teaching methods.

Please Respond Today!

Many extracurricular school activities benefit from the tax credit program. Last year, taxpayers like you supported students in woodworking and handwork classes, stringed instrument and percussion lessons, the eighth grade marine biology research trip and after school sports.

Claiming your tax credit is easy:

Complete this form & return it with payment to Mountain Oak School or pay online at www.MountainOakSchool.org, "Payments."

Keep Your Tax Dollars Local!

There has never been a better time or way for you to help Mountain Oak School children. Any amount will help MOS students. Taxpayers may direct up to $200 per single taxpayer or $400 per married couple filing jointly. Your tax credit goes directly to the eligible MOS program(s) that you choose.

Simply put, tax credit contributions make possible a wide range of learning opportunities our children would not otherwise experience.

You don't need to have a child in school to participate. Anyone who pays taxes in the State of Arizona may participate, and it literally costs you nothing to do so.
