Mountain Oak

• 1455 Willow Creek Rd. Prescott, AZ 86301 •

Hello Mountain Oak Community,

Welcome! This year marks our 19th year of operation. Our greatest hope is that you and your child find great satisfaction in this education and that we meet our mission and vision statement.
Our Mission statement:

Mountain Oak School nurtures children's highest potential of thought, feeling, and determination by cultivating a sense of truth and wonder, the powers of imagination and practical knowledge, and a feeling of responsibility for themselves and the world around them.

Our Vision statement:

All our graduates are innovative and self-directed individuals with the skills needed to joyfully create meaning and purpose in their own lives and to serve the greater community.

This year we are excited to adopt ParentSquare, a new communication platform. ParentSquare is designed so every parent can be informed and can participate. It provides an effective and safe way for the school director, teachers, administration, parent association and parents to connect, receive school and class information, share pictures, sign up to volunteer, easily view calendars and events, bring items, donate toward school or class projects and link to information on Waldorf education. As soon as you receive the invitation through your email to join be sure to sign-up. There will be multiple ways to access the school site including a phone app for your convenience.

We are looking forward to the School-Yard Habitat classes for kindergarten through 8th grade. There will be a dedicated teacher from the Highlands Center working alongside our teachers in implementing this new program. Students will be exploring the native habitat and how the creatures and plants work and interact together. We appreciate the volunteer time parents have given in clearing land, laying path, digging holes and planting native plants, flowers and trees. The dedication of the habitat will immediately follow the opening ceremony on August 8th.

We invite all families to join us August 8th from 8:15 to 8:45 as we look with delight for the adventures that lie ahead. Please join us in welcoming new and returning teachers, students, staff and families. The parent association will be on hand welcoming new and returning families. The office is looking forward to seeing the smiling faces of each and every one of you.

Parents looking forward to the traditional Rose Ceremony between first and eighth graders; we are scheduling this sweet event after school begins. The two grades will be developing relationships with their buddies in the weeks leading up to the ceremony. The ceremony is scheduled for Friday, August 25th at 8:15. Everyone is invited, however parents of first and eighth graders make sure to mark your calendars to witness this special event.

We continue to build a strong and vibrant school community. Let's continue on this together! Your child is counting on you to participate in his or her education. We want you to be part of the life of the school. Watch for ways to be involved all through the year. Save the date for New and Returning Parent Orientation night, August 22.

I look forward to the year ahead. Thank you for choosing Mountain Oak as your school of choice.

Sincerely,

Cynthia Roe
Director
