

Dear Second Grade Parents,

Welcome back to a wonderful new school year! We are welcoming many new families to the class this year, and I look forward to seeing everyone at our class picnic at Flinn Park (280 Josephine St., Prescott) on Wednesday, August 15<sup>th</sup> (from 5:30-7:00 pm). Please bring your favorite dish, and join us in our celebration of the new school year! It will be wonderful to reconnect as well as meet new families!

The first day of school is Tuesday, August 21. As the weather may be hot in the first weeks of school, please send your child dressed appropriately with a full-coverage sun hat and sunscreen. Remember that sandals must have a heel strap, and shoes should be comfortable for daily movement activities. Clothing should be free of media images and distracting images (and/or writing). See the clothing policy from the student handbook for more specifics - online at [www.mountainoakschool.org](http://www.mountainoakschool.org)

At the beginning of the school year you will receive an outline of the curriculum, as well as the dates for our parent evenings throughout the year.

I look forward to seeing everyone on August 15<sup>th</sup>!

Warmest wishes,

Jennifer McMillan
