

THE TUESDAY NEWSLETTER

Issue 33 April 26, 2011

The 5 W's of MOS Parent Association:

WHO: Anyone!! We welcome and encourage **all** parents, grandparents, caregivers, etc.

WHAT: The PA is a group of individuals whose desire is to make valuable contributions to our wonderful school community through a group effort. As an old African proverb so beautifully said, "It takes a village to raise a child".

WHERE: MOS- upstairs in the multi-purpose room.

WHEN: Next Thursday, May 5th and the first Thursday of each month from 5:30 to 6:30. Childcare is provided. (Please call Jessica at 420-0844 if you will be utilizing this service).

WHY: Here's the most important part!!

FOR OUR CHILDREN!! This committee's primary purpose is to help co-create the best possible environment for our children...Not just my child or your child but our collective children. We each bring our own unique and valuable talents and gifts to the table so I encourage you all to come "show us what you got" and see what we are all about.

Together we can build a brighter tomorrow!

See you soon,

Jessica Campbell
Parent Association Chair

PS: For those of you who can't make it but have ideas or comments in support of this group, we have installed a suggestion box on the exterior of the office building right as you walk in through the front door. Please feel free to utilize this as a way of communicating with us.
