Preschool Enrollment 2017-2018

Dear Parents/Guardians,

The Lavender Rose Preschool at Mountain Oak School provides early care and education for potty-trained children two years to five years old. Mountain Oak offers this private preschool on the same property as the charter school. Mountain Oak School is a public charter school, grades K-8, inspired by Waldorf methods, a holistic approach to learning.

The preschool is a developmentally appropriate child-centered learning environment for young children, which values the uniqueness of each child. At this program, we offer a safe environment, where children are nurtured and respected. Relationships are critical to our program, and we strive to create trusting relationships with each individual child, as well as with their families. We recognize that parents and/or guardians are children's first, and most important, teachers. The preschool welcomes the involvement of parents and family members in our program.

Thank you for considering Lavender Rose Preschool for your child's early love of learning. We look forward to having you in our school community.

Sincerely,

Marcee Gilson

Preschool Director
