Keep Your Tax Dollars Local!

There has never been a better time or way for you to help Mountain Oak School children. Any amount will help MOS students. Taxpayers may direct up to \$200 per single taxpayer or \$400 per married couple filing jointly. Your tax credit goes directly to the eligible MOS program(s) that you choose.

Simply put, tax credit contributions make possible a wide range of learning opportunities our children would not otherwise experience.

You don't need to have a child in school to participate. Anyone who pays taxes in the State of Arizona may participate, and it literally costs you nothing to do so.
